JOPEN BEER LAUNCH EVENT

SUNDAY MASS

25 OCTOBER 3-7 PM

AT

NIEUW AMSTERDAM

Sunday 25th of October Jopen beer from Holland will officially be launching in Cafe Bar 'Nieuw Amsterdam', Hardware St in Melbourne from 3 to 7 pm. Later in the afternoon Jopen's brewer Michiel Ordeman & his wife Lydian would like to send there greetings and 'blessings' from the Jopen brewing church in Holland through a 'live' Skype link.
For the early birds, the first 25 beers will be on the house.

Cheers on behalf of Northdown Craftbeer Movement, Nieuw Amsterdam and Jopen's brand ambassador.

Following there will be an introduction to Jopen beer; historic and progressive Dutch craftbeer.
You'll have a chance to taste:

JOPEN KOYT

This reddish-brown beer is a reproduction of a historic Haarlem beer and is brewed according to the brewer's statute (recipe regulated by the council) of 1407.

JOPEN HOPPENBIER

This golden beer is a precise reproduction of a historic Haarlem beer and is brewed according to the brewer's statute (recipe regulated by the council) of 1501.

JOPEN NORTHSEA IPA

Jopen Northsea IPA is an IPA containing plenty of American hops, which creates bitterness with lots of fruity tones. Centuries ago, before the English IPA, the Dutch were shipping their beer to the Dutch East India Colonies.

JOPEN JACOBUS RPA

Jopen Jacobus is a Rye Pale Ale. It is brewed with 25% rye malts and has a fruity bitterness thanks to the use of American hops.

JOPEN DOUBTING THOMAS

This reddish-brown beer is named after the apostle Thomas and is a genuine winter warmer. Surprisingly rich in flavour and ideal for sipping beside the fireplace.

JOPEN JOHANNIETER

A very heavy Weizen Dobbelbock that has a strong roasted taste because of the roasted wheat malt. The full fruity and sweet tastes from the weizen character is pushed forward thanks to the high alcohol percentage.
